WHEN WE LOVE

BEAT HOME LESS NESS

Hi,

We all want to help those in need, but sometimes it can be tough to know how to make a real difference. At When We Love, we believe that the key to ending homelessness is to address the root causes and offer long-term solutions.

The problem is that many families and individuals who are experiencing homelessness don't have access to the resources and support they need to get back on their feet. But the good news is that When We Love is here to help.

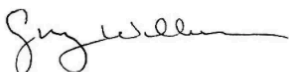

Through our mentoring program, employment services, transportation and child care assistance, we're able to offer a holistic approach to homelessness that addresses the root causes and provides a pathway to permanent housing and self-sufficiency

If you're ready to make a real difference in the lives of those who are struggling with homelessness, we invite you to donate to When We Love today. Together, we can make homelessness a temporary stop on the journey of life.

BEAT HOME LESS NESS

Hi,

We wanted to know more about why our supporters are so passionate about giving and volunteering, so we asked them. Although they shared their answers anonymously, their drive to help others was clear. We're grateful for their support and commitment to positively impacting lives.

One supporter said, "I was surprised to learn just how very difficult it is for the homeless in our community. It is hard to search for work when you don't have transportation, the right clothes for a job interview, or even know how to fill out an application. The difficulty in getting into a shelter without losing your spot outside and/or your belongings, or how to shower and care for yourself without the necessary facilities or items to do so. I volunteer because WWL is the hands and feet of Jesus, and we see that in all the many practical ways they help."

Will you become a supporter too? We invite you to learn about monthly giving that supports programs such as mentorship, transportation and child care assistance, and employment services for as little as \$49 per month.

In the lives of those experiencing homelessness, a little can go a long way. We thank you in advance for any support you can provide.

Best,
Gary Wilkerson
